

Dubblestandart & Marcia Griffiths
Holding You Close (EP chapter 2)

CCT 302104 digital/15 tracks – 77:39 minutes playtime

Dubblestandart are some of the most acclaimed, incendiary „modern“ Dub sounding acts on planet earth. Its Dubblestandart’s vibrant sound clash of industrialized Dub power with the spirit of OnU/Sherwood and Black Ark/Lee Perry and their feeling for pop flavored epic melodies with a cosmic vibe: Today they are considered as an outstanding and stunning act in the recent reggae history.

Since 1988 the group is a phenomenal measurement and their collaborating artists list as “who is who” in the cream of hot spots: Anthony B., Elephant Man, William S. Burroughs, David Lynch, Lee “Scratch” Perry, Ari Up, Dillinger, Ken Boothe, Mikey Dread, Sly & Robbie, Mad Professor, a.o.

Their new creation of beauty along with the queen of Reggae and Lovers Rock „Marcia Griffiths“ makes the next chapter of remixes supersonic! The dreamy lovely lyrics sung with the sweetest voice of the former member of the legendary Bob Marley „I Trees“ melts perfectly with Dubblestandart’s 21st century urban roots beats. After the release of EP chapter 1 during summer 2012, the resonance was amazing and many remixers where in doing “their” version of these track.
